

The Midwest Leader For Construction Equipment & Engineered Products

Our Mission: Build Value Through Long-Term Relationships, Supplying Service & Delivering Solutions on your current & future projects.

WHO IS GOEDECKE?

Since 1947, **Goedecke Company** has become the Midwest leading provider of construction industry solutions. **Goedecke is:**

- **Safe...**
- **Productive**-Employees have the experience, products, equipment & knowledge needed in today's competitive market.
- **Qualified**-Employees can overcome the most difficult situations in a safe & timely manner.

Goedecke has a Design Department dedicated to Concrete Forming, Shoring & Scaffolding to ensure your project is more efficient from concept to completion.

Goedecke provides an Equipment Service Department at each location not only for repair and maintenance but also for erection of various types of access equipment.

Goedecke erects and dismantles scaffolding, shoring & access equipment for commercial or industrial applications.

THE BENEFITS OF WORKING WITH GOEDECKE...

Goedecke allows your company to focus on your business because our employees are trained & educated in our changing industry. When you work with us, you reduce risks & corresponding cost by ensuring compliance with all safety regulations in the construction industry. **Goedecke** also helps you by providing service & solutions in Concrete Forming, Shoring, Scaffolding, Engineered Products, Rebar Fabrication, Access Equipment & Light Construction Equipment.

Our credibility with the industry's top manufacturers of construction equipment and engineered products is built on our reputation for consistently delivering first class results to companies—like yours. Your project needs are unique—so we approach developing solutions for each of them accordingly.

WHY YOU CAN TRUST GOEDECKE...

Credibility. Sixty years of doing business with more than 20,000 account customers.

Focus. We are the Midwest leader for construction equipment and engineered products, and we are dedicated to the construction industry.

Geographical Coverage. Not only do we have six locations in the Midwest, but our manufacturers are nationwide.

Commitment. We at **Goedecke Company** are committed to improving our value to the construction industry in the Midwest.
